

SMALL MOLD HANDLER

MAX. CAPACITY 70 KG – 160 LBS

AS PARTS, WAX CLUSTERS OR HANGERS BECOME BIGGER AND HEAVIER. HANDLING THEM BECOMES MORE AND MORE OF A CHALLENGE.

This is why Shell-O-Matic created convenient mold handlers that can:

- » Lift the molds up and down like a lift truck
- » Have the forks come closer or apart from each other with a motorized motion
- » Provide assisted forward/backward wheel motion to ease mold carrying
- » Assist wheel motion
- » Lift parts up and down like a lift truck
- » Forks' opening motion controllable to ease mold pick-up

HANDLE YOUR HOT
MOLDS WITH EASE

BATTERY OPERATED:
- FORKS UP / DOWN
- FORKS IN / OUT

LARGE MOLD HANDLER

MAX. CAPACITY 120 KG – 270 LBS

AS PARTS, WAX CLUSTERS OR HANGERS BECOME BIGGER AND HEAVIER, HANDLING THEM BECOMES MORE AND MORE OF A CHALLENGE.
